

Minutes for AIChE GBM #1 Spring 2016

February 3, 2016 | 21:00 | Mclean 004

Upcoming Events

- Alumni panel with Exxon
 - date TBD
 - James Western and several other Stevens Alumni will come present and give an alumni panel
 - Confusion about James Western's age ensues
- Pete Sibilsii will present "Chemistry of Cosmetics" talk on march 16th
 - This will be followed by a panel of recent local alumni from Stevens and NJIT
- We are looking to set up a tour
 - Potential Places: Carton brewery- Luke will try to contact them, Brooklyn Brewery - There is a senior week tour so we may be able to piggyback on that, IFF, Regeneron, **BEER**
 - Palash explains why we didn't have high attendance to his infineum tour; apparently it was because there was also a phillips 66 tour

Monthly Events

- North NJ Section awards dinner will be 2/16 at 6PM at NJIT
 - Scholarship awards will be presented to Stevens recipients: Alan Rempel, Stephanie Basile, Shawn Maguire, and Ryan Tarnopol
 - Transportation:
 - Russell can drive 4 (Palash interjects, he will take the train) people
- Societe di Chimie Luncheon - 2/24 at 11:30PM
 - Interested attendees - Russell, Nick, Palash, Steph, Raul, Jason
 - Will be called "wine wednesday"
- Metro NY Section Dinner - 2/16, 5:30PM
 - Raul is interested in going

Regional Conference

- April 8-10th at university of Delaware
- We will hopefully be competing in the Chem-E car, Poster, and Paper competitions
 - Paper and Poster entries must be entered at the regional conference to be able to present at the national conference
 - Must be submitted by march 18th

- Space is limited because the ChemE car team needs to go
- We need to know by 2/12 if anyone is interested
- Tom McCabe and TJ are interested in attending
- fee per attendee will be \$20-30
- Driving will be arranged later

Relay For Life

- Will be on april 30th
- Fundraising event for the American Cancer Society
- Raises awareness of cancer research and celebrates survivorship
 - Luke clarifies that it is survivors of Cancer
- Nick Gural will lead AIChE's booth
 - We would like to perform entertaining experiments at the booth
 - Noelle Cafone is interested in helping
 - Elephant toothpaste is an option
- Our goal is to raise \$1000
- <http://www.relayforlife.org/stevensnj>

Omega Chi Epsilon

- Must be a junior or 4th to be qualified
 - Specifically, must have completed 70 credits including both process analysis and Thermodynamics
- Membership will require 8 hours of community service and 2 hours of department service
- Currently 35 undergrad members
- OXE and AIChE will work collaboratively on future events
- Current seniors should talk to Raul about joining
- Rising juniors will be considered based on GPA and involvement in the fall

Elections

- Nominations open March 15th
- Elections will be April 2nd at the GBM
- Most positions will be open so it is an excellent opportunity to get involved
- President and treasurer will have to have been members for at least 1 year

Current Outcomes in ChemE

- Presentation given by Jane on Study abroad experiences in Madrid and Australia
 - Presentation is attached
 - We are always interested in having other members present their experience
-
