## Regeneron Site Tour

Preclinical Manufacturing and Process Development Department

# **REGENERON**

*science to medicine*®

Steven's Student Chapter of ISPE will be going to Regeneron's Tarrytown campus to tour their Preclinical Manufacturing and Process Development Department. This is a great opportunity to see a world-class biopharmaceutical research facility, and potentially make industry contacts. To gauge how large of a bus we will need, please sign up for the event using the link below. Any interested undergraduates are encouraged to come to this event as well; however there will be a \$10 transportation fee. If you have any questions please feel free to contact the Stevens ISPE president at [ahaas1@stevens.edu](mailto:ahaas1@stevens.edu).
