Description: The Cajuns call it Lagniappe--meaning a little something extra. And that pretty much describes Beaumont. We are still pure Texas, but at the same time our Bayou roots make us a combination of two colorful cultures. From two stepping to Zydeco, enjoying enchiladas and spicy hot boiled crawfish or checking out museums specializing in everything from art to energy, Beaumont's definitely got a Texas sized portion of Lagniappe! And we'd love to share it with you. We are also 80 miles east of Houston and an hour drive to Port Bolivar Peninsula, and 1 1/2 hour drive to Galveston.

Description: Kansas City is a great Midwestern city with a variety of attractions from jazz to barbecue. Our affiliate serves the urban core of the city, an older area of town with mostly single family homes in need of repair & infill lots to build on. We're the 7th oldest Habitat affiliate, proud of our history in the community & eager to share stories! We try to take groups out at least once to someplace like dinner on the Plaza, fun at Dave & Busters or the Power & Light district downtown. We also try to have dinner with a homeowner so students see the personal side of Habitat. Lunches provided.
