A discussion with Andri Magnason

Andri Snær Magnason is an Icelandic writer who has written novels, poetry, plays, short stories, essays and CD's, which have been published or performed in more than 30 countries. His novel, *LoveStar*, was chosen "Novel of the year" by Icelandic booksellers, and his children's book *The Story of the Blue Planet*, was the first children's book to receive the Icelandic Literary Prize, and has been published in 26 countries. Andri has collaborated with artists including the band called *múm*, and has been active in the fight against destruction of the Icelandic Highlands. His book *Dreamland - a Self Help Manual for a Frightened Nation* was made into a documentary film, and was excerpted in Charles Ferguson's Oscar winning documentary - *Inside Job*.
