

GBM 1

Welcome to Stevens Health Professions Club!

What is SHPC?

- ◎ We are dedicated to providing educational and volunteer opportunities for students interested in the healthcare industry like you!
- ◎ This year we're trying to expand our scopes beyond medical school/dental school to help students looking into careers in research, physical therapy, and other career paths.
- ◎ Also expanding the range of programming and degree of support

Fall 2018 in Review

- ◎ Research Panel
- ◎ Pre-health experiences panel
- ◎ Current medical school student panel
- ◎ Sole Hope public health initiative
- ◎ CV/Resume and Cover Letter Workshops with the Career Center

The background of the slide features a complex network of interconnected nodes and lines, resembling a molecular structure or a data network. The nodes are represented by small circles, some of which are highlighted with a darker shade, and they are connected by thin, light-colored lines. The overall pattern is dense and covers the entire page.

Spring Events

Peer Mentors

- ◎ Reminder to meet with your mentor/mentee

Medical Professionals Panels

- ◎ Opportunity to explore all different healthcare careers
- ◎ YOU can help!
 - Do you work closely with or know a healthcare professional who would be interested in participating in the panel?

Med School Visits

- ◎ Seton Hall todayyy
- ◎ We have some brochures

Army Suture Lab

- ◎ In the past, we've had army reps come give a presentation and teach us how to suture on pigs feet!

Research Fair

- ◎ Interested in doing research on campus during the semester or summer?
- ◎ Professors and current students will present their past/current projects
- ◎ Opportunity to reach out and potentially find a position!

The background of the slide is a light gray network of interconnected nodes and lines, resembling a molecular structure or a data network. The nodes are represented by small circles, some solid and some hollow, connected by thin lines.

Opportunities to Consider

Alpha Epsilon Delta

- ◎ National Health Pre-Professional Society
- ◎ Member Perks
 - Discount on Kaplan courses
 - Scholarship opportunity
 - Leadership positions
- ◎ Requirements
 - 1 year biology
 - Orgo 1
 - 3.2 Science and Overall GPA
- ◎ Interested in Spring Induction? Email Dr. Kumbaraci

Found a Club

◎ AMSA

- Focuses on career development, advocacy, and improving medical training
- Benefits include: leadership training, community service, network
- Awards and conferences

◎ Peer Health Exchange

- Train college students to teach a skills-based health curriculum in under-resourced high schools

◎ Health service/advocacy chapter

◎ More

Summer Research

- ◎ 2019 NSF-funded REU Site: Research in Chemistry at West Virginia University
 - 10-weeks
 - undergraduates who 1) are majoring in chemistry or biochemistry (pre-med majors also considered), 2) are citizens, nationals, or permanent residents of the U.S. or its territories, and 3) are interested in a research and training experience akin to that of a graduate student.
 - Participant benefits include \$5,000 stipend, lodging, meal expenses, and travel reimbursement to/from the Site.
 - RISING SOPHOMORES ENCOURAGED
- ◎ 2019 Plant Genome Research Program Summer Internship at the Boyce Thompson Institute and Cornell University

2019 SUMMER INTERNSHIPS

Are you passionate about science that has the potential to protect the environment, enhance human health, and improve agriculture?

Now in its 18th year, Boyce Thompson Institute's Plant Genome Research Program (PGRP) offers an opportunity to work side-by-side with plant science experts and gain experience in:

- Genetics and Genomics
- Molecular Biology
- Biochemistry
- Biotechnology
- Bioinformatics
- Plant Defense

PROGRAM DATES:

Undergraduate: **June 03, 2019 - August 9, 2019**

High School: **June 24, 2019 - August 9, 2019**

SUPPORT: Undergraduate interns receive free housing, \$1,050 for meals, travel reimbursement, and \$5,250 stipend over 10 weeks. High school interns will receive a \$2,800 stipend over 7 weeks.

ELIGIBILITY: Undergraduate applicants must be (1) US citizens or permanent residents, (2) enrolled in a college/university and not graduated by June 3, 2019, and (3) at least 18 years of age by June 3, 2019.

High school applicants do not have to be US citizens or permanent residents, but must be living locally during their internship (within a daily commute of Ithaca). High School students are not eligible for housing, travel, or meal allowance.

CONTACT: PGRP-outreach@cornell.edu

SUMMER ACADEMIC ENRICHMENT PROGRAM

SAEP is an intensive, six-week inter-professional academic enrichment program located on the VCU Health Campus in Richmond, Va. Designed to prepare college junior and senior undergraduate and post-baccalaureate students for admission into health professional programs, SAEP provides an academically rigorous experience that simulates the first year of health professional school.

Participants are provided housing and a stipend to cover program expenses.

VCUPIPELINE

VCU Health Sciences Pipeline

APPLICATION OPENS: OCTOBER 15TH
APPLICATION CLOSES: FEBRUARY 1ST
PROGRAM DATES: LATE MAY - LATE JUNE

VISIT DHSD.VCU.EDU FOR PROGRAM DATES QUESTIONS? (804) 827-0982

Students choose a concentration from only one of four disciplines to participate in on their application: Dentistry, Medicine, Pharmacy and Physical Therapy.

Requirements for admission to the program include:

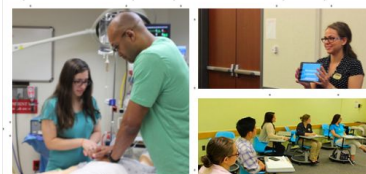

- Three complete years of college coursework
- Organic chemistry I and II (Note: Not required for Physical Therapy track)
- Cumulative GPA of 2.75
- Two letters of reference
- SAT/ACT Scores
- Official Transcript(s)
- Strong interest in attending health professions school at VCU

Apply

ALLIED HEALTH CAREER EXPLORATION

Allied Health Career Exploration is a two-week, non-residential summer program designed to expose high school seniors, college freshmen, sophomores, and juniors to the diverse professional programs available at the VCU College of Health Professions.

- Experience hands-on and interactive activities within each of the nine disciplines
- Participate in workshops to strengthen skills in interviewing, resume development and personal statement writing
- Receive information to navigate the application process for a program in the College of Health Professions
- Gain confidence in pursuing a health professions program

APPLICATION OPENS: MID-OCTOBER
APPLICATION CLOSES: EARLY APRIL
PROGRAM DATES: TWO WEEKS IN EARLY JUNE

VISIT DHSD.VCU.EDU FOR PROGRAM DATES QUESTIONS? (804) 827-0982

DISCIPLINES

- AGING STUDIES
- CLINICAL LABORATORY SCIENCES
- HEALTH ADMINISTRATION
- NURSE ANESTHESIA
- OCCUPATIONAL THERAPY
- PATIENT COUNSELING
- PHYSICAL THERAPY
- RADIATION SCIENCES
- REHABILITATION AND MENTAL HEALTH COUNSELING

APPLICATION REQUIREMENTS

- Complete online application
- Two letters of reference
- Official Transcript(s)
- Interest in a Health Profession(s)
