

MAX TECH & BEYOND

DESIGN COMPETITION FOR **ULTRA-LOW-ENERGY-USE** APPLIANCES & EQUIPMENT

How Beyond is your Tech?

This **DESIGN COMPETITION** supports **faculty-led student design teams** at U.S. universities to develop and test **prototypes** with large energy-savings potential.

What's in it for you?

Win National Recognition!
Win funding for engineering design courses
Assistance to market your prototype!!

Faculty

UP TO
\$25K

Students

Can you prove it?

Work as a team to design and test your **appliance or equipment** prototype.
