Are you graduating in Dec 2016/May 2017 and interested in technology? Are you interested in an internship in NYC next summer?

Credit Suisse's 2015 Technology Women's Mentoring Program may be just for YOU.

The program:

- Will begin in June 2015 and will consist of 3 events held in our NYC office
- Provides a mentoring opportunity from a highly distinguished group of female technology professionals
- Offers a unique opportunity to learn about technology and financial services
- Provides participants the opportunity to participate in early interviews for the 2016 summer internship, before the general applicant pool

APPLICATION PROCESS

- Apply online by March 25, 2015
- Interviews will be conducted virtually via WebEX in April 2015
