

# National Conference

October 27-29 | Philadelphia, PA

# What is the national conference?

The annual conference is the largest event of its kind for women engineers and employers who are eager to hire them. The conference brings together the leading businesses, organizations, universities, and innovators in engineering. Collaboration of great minds through networking events, special invite luncheons, lectures, workshops, and a grand career fair.

# What is offered at a national conference?

- On-the-spot interviews
- Unparalleled networking opportunities
- Professional development opportunities
- Long-lasting friendships
- Global network outreach
- Insightful lectures
- Hands-on workshops run by on-site employers
- Technical tours by well-known companies

# What are the lectures about?

- Life is Even More Confusing Than Taxes: Examples for Maximizing a Profitable Life After Graduation
- Career Options for Engineers in the Energy Industry
- Bragging Rights: Behavioral Interviewing 101
- Beyond Pink and Princesses: Intelligent, Engaging Engineering Outreach Activities for Girls
- The Power of Python for an Engineer
- The Challenges in Designing and Launching a Satellite

# Who is this conference for?

- Eager individuals who are seeking to learn more about their respective engineering disciplines
- Students looking for internships, co-ops, and full time positions
- Students looking for networking opportunities with other students and professionals across the country
- Students looking for a chance to develop themselves professionally, socially, and intellectually

# Is the national conference fun?

YES of course! SWE15 was certainly fun:

- Ice Cream Social
- Annual Gala
- Hospitality Suites - decorated rooms filled with reps, music, food, and free stuff
- Social outings with SWE chapter
- Opportunity for sightseeing

# What should I do now?

Fill out the interest form!!!

Once we know how many members would like to go, we can get a price estimate on hotel and transportation

# Thank You!
