

MOODY'S

Moody's Women in Information Technology (WinIT) at Stevens

Our Views Matter. So Will Yours.

About Moody's:

Moody's is an essential component of the global capital markets, providing credit ratings, research, tools and analysis that contribute to transparent and integrated financial markets. Moody's Corporation (NYSE: MCO) is the parent company of Moody's Investors Service, which provides credit ratings and research covering debt instruments and securities, and Moody's Analytics, which offers leading-edge software, advisory services and research for credit and economic analysis and financial risk management. The Corporation, which reported revenue of \$3.5 billion in 2015, employs approximately 10,400 people worldwide and maintains a presence in 36 countries. Further information is available at www.moody.com.
