Dear Sophomores, Juniors and Seniors:

Again this year we are pleased to offer our Stevens Alumni Association Scholarship to Stevens students for the 2010-2011 academic year.

If you have a parent or grandparent who holds a bachelor's degree from Stevens, you are eligible. Applicants will be judged on grade point average and a statement on why they should receive the award. Award is contingent upon attending (as a guest) the Alumni Association Executive Committee Dinner/Meeting on Monday, April 11, 2011, when the awards will be presented.

For the past 28 years almost everyone who applied received a scholarship in varying amounts. Unfortunately, many who were eligible did not apply. Please don't miss this opportunity to receive a scholarship which could save you or your parents \$500 to \$1,500. Thus far \$312,800 has been awarded through these scholarships.

Pick up an application in the Alumni Office, 9th floor, Howe Center. Applications must be returned by March 10, 2011.

Sincerely,

STEVENS ALUMNI ASSOCIATION
